

Join us for learning events at ISTH 2023

We welcome you to attend our symposium: **ETRANACOGENE DEZAPARVOVEC:** **From Promise to Practice**

To hear more about gene therapy for hemophilia B, and moving from clinical trials to clinical practice with Prof. Amit Nathwani, Dr. Michael Recht, Prof. Annette von Drygalski, and Prof. Niamh O'Connell

Venue: Room 511, Montréal Convention Centre
(Palais des Congrès de Montréal)

Sunday June 25 2023, 13:15–14:30 EDT

Or catch up on-demand at: <https://www.isth2023.org/>

We look forward to leading you through the journey to the reality of gene therapy for hemophilia B

Meet the experts:

CSL Behring Medical Booth (#1610)

Hear from HOPE-B clinical trial investigators about their experience at critical points in the gene therapy journey

Prof. Frank Leebeek: June 25 2023, 14:30–14:45 EDT

Dr. Steven Pipe: June 26 2023, 10:20–10:35 EDT

Dr. Michael Recht: June 27 2023, 10:20–10:35 EDT
